

Liquidity Services CIO Included on List of 100 Most Influential Hispanics in IT

December 10, 2013

Leoncio Casusol recognized on 2014 list of HITEC 100

WASHINGTON--(BUSINESS WIRE)--Dec. 10, 2013-- Liquidity Services, Inc. (NASDAQ:LQDT), a global provider of surplus asset management services and leading online marketplaces for surplus goods, is pleased to announce the inclusion of its CIO, Leoncio Casusol, on the Hispanic IT Executive Council's HITEC 100 list of most influential Hispanics in IT.

"I am truly honored by this HITEC recognition," said Leo Casusol, CIO of Liquidity Services. "Technology plays a critical role in the history and growth of our company by enabling commerce and innovation for our private and public sector clients. Honors such as the HITEC 100 provide continued inspiration to perform at a high level of excellence, setting the pace in our industry."

Mr. Casusol is Liquidity Services' top technology executive and partners with business and functional leaders to improve and optimize the company's technology platforms, operations, and services. He leads strategic IT planning to enable a high level of service execution to Liquidity Services' buyers and sellers from a range of industries including pharmaceutical, retail, consumer packaged goods, energy, mining, electronics manufacturing, and more.

HITEC (Hispanic IT Executive Council) is the premier global executive leadership organization for senior business and IT executives. The 2014 HITEC 100 were selected based on criteria that evaluated their individual achievements in the industry, professional level, scope of responsibility, position held in their company, as well as their involvement in boards and diversity initiatives. According to HITEC, the 2014 honorees are considered among the best in their careers, their companies and their communities.
