

## **Liquidity Services Opens Private Treaty Sale of Commercial Printing Equipment on Behalf of Hallmark subsidiary Litho-Krome**

May 26, 2015

*Offers are now being accepted for printing and production equipment, including Heidelberg presses and Bobst die cutters*

WASHINGTON--(BUSINESS WIRE)--May 26, 2015-- Liquidity Services (NASDAQ: LQDT), a global solution provider in the reverse supply chain with the world's largest marketplace for business surplus, will be conducting a private treaty sale for surplus equipment no longer needed in Litho-Krome's daily operations. Offers are currently being accepted via Liquidity Services' online marketplace, Go-Dove.com. The assets consist mostly of commercial printing and production equipment from Litho-Krome's manufacturing operations

"Liquidity Services continues to demonstrate success delivering maximum results for our surplus asset sales," said Damon Lewis, representative at Hallmark. "We benefit from their targeted marketing and sales strategies that drive an extensive buyer base to place a bid on our surplus goods."

Please visit the auction webpage for more details and to bid on specific assets at [www.HallmarkSurplus.com](http://www.HallmarkSurplus.com).

The sale features printing and production assets, including:

- Six Heidelberg Speedmaster Sheet Fed Presses (10, 8, 7, 6 & 2-Color)
- Bobst SP 102 E & SP 1260 E Die Cutters
- Kluge 52EHD Die Cut Press
- Polar Mohr 137-EMC Guillotine Paper Cutter

"Our auctions present an easy and affordable option for companies to acquire professional-quality print manufacturing equipment," said Mike Besecker, Senior Vice President of Global Sales for Liquidity Services' Capital Assets Group. "We value our ongoing, successful partnership with Hallmark and are proud to help return working capital to their business in a sustainable, compliant way."

Professional buyers rely on Liquidity Services' marketplaces to acquire quality used industrial manufacturing and plant support equipment from top companies like Hallmark. Bidders can evaluate available equipment from around the globe through an online platform and then purchase assets via the regularly scheduled industry marketplace auctions or private treaty sales.
