PROXY STATEMENT
QUESTIONS AND ANSWERS

Why did I receive these proxy materials?

We are sending you this proxy statement as part of a solicitation by the Board of Directors of Liquidity Services, Inc. for use at our 2007 Annual Meeting of Stockholders and at any adjournment or postponement that may take place. Unless the context otherwise requires, the terms “us,” “we,” “our,” and the “Company” include Liquidity Services, Inc. and its consolidated subsidiaries.

You are invited to attend our Annual Meeting of Stockholders on Thursday, February 15, 2007, beginning at 11:00 a.m., Eastern Time. The Meeting will be held at the offices of Gibson, Dunn & Crutcher LLP, located at 1050 Connecticut Avenue, NW, Washington, DC, 20036.

This Notice of Annual Meeting of Stockholders, proxy statement, form of proxy and voting instructions and our 2006 Annual Report are first being mailed starting on or about January 26, 2007.

Do I need a ticket to attend the Meeting?

You will need an admission ticket or proof of ownership to enter the Meeting. An admission ticket is attached to your proxy card if you hold shares directly in your name as a stockholder of record. If you plan to attend the Meeting, please vote your proxy prior to the Meeting but keep the admission ticket and bring it with you to the Meeting.

If your shares are held beneficially in the name of a bank, broker or other nominee and you plan to attend the Meeting, you must present proof of your ownership of Liquidity Services stock, such as a bank or brokerage account statement, to be admitted to the Meeting. If you would rather have an admission ticket, you can obtain one in advance by mailing a written request, along with proof of your ownership of Liquidity Services stock, to:

Liquidity Services, Inc.
Attn: Julie Davis
1920 L Street, NW, 6th Floor
Washington, DC 20036

All stockholders also must present a form of personal identification in order to be admitted to the Meeting.

No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the Meeting.

Who is entitled to vote at the Meeting?

Holders of Liquidity Services common stock at the close of business on January 23, 2007 (the “Record Date”) are entitled to receive this Notice and to vote their shares at the Meeting. As of January 15, 2007, there were 27,617,555 shares of common stock outstanding and entitled to vote. All holders of common stock shall vote together as a single class on each matter properly brought before the Meeting.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered directly in your name with Liquidity Services’ transfer agent, Computershare Trust Company, N.A., you are considered, with respect to those shares, the “stockholder of record.” The Notice of Annual Meeting of Stockholders, proxy statement and proxy card and our fiscal 2006 Annual Report have been sent directly to you by Liquidity Services.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of shares held in street name. The Notice of Annual Meeting of Stockholders, proxy statement and proxy card and our fiscal 2006 Annual Report have been forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting by telephone or on the Internet (if available).

How do I vote?

You may vote using any of the following methods:

By Mail

Be sure to complete, sign and date the proxy card or voting instruction card and return it in the prepaid envelope. If you are a stockholder of record and you return your signed proxy card but do not indicate your voting preferences, the persons named in the proxy card will vote the shares represented by that proxy as recommended by the Board of Directors.

If you are a stockholder of record, and the prepaid envelope is missing, please mail your completed proxy card to **Liquidity Services, Inc., 1920 L Street, NW, 6th Floor, Washington, DC 20036, Attn: Corporate Secretary.**

By Telephone or on the Internet

The telephone and Internet voting procedures established by Liquidity Services for stockholders of record are designed to authenticate your identity, allow you to give your voting instructions and confirm that those instructions have been properly recorded.

You can vote by calling the toll-free telephone number on your proxy card. Please have your proxy card in hand when you call. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. If you are located outside the U.S., see your proxy card for additional instructions.

The website for Internet voting is www.computershare.com/equiserve. Please have your proxy card handy when you go online. As with telephone voting, you can confirm that your instructions have been properly recorded. If you vote on the Internet, you also can request electronic delivery of future proxy materials.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day, and will close at 11:59 p.m., Eastern Time, on February 14, 2007.

The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other nominee. Therefore, we recommend that you follow the voting instructions in the materials you receive.

If you vote by telephone or on the Internet, you do not have to return your proxy card or voting instruction card.

2

In Person at the Meeting

All stockholders may vote in person at the Meeting. You may also be represented by another person at the Meeting by executing a legal proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other nominee and present it to the inspectors of election with your ballot to be able to vote at the Meeting.

What can I do if I change my mind after I vote my shares?

If you are a stockholder of record, you can revoke your proxy before it is exercised by:

- sending written notice to the Corporate Secretary of the Company;
- timely delivery of a valid, later-dated proxy or a later-dated vote by telephone or on the Internet; or
- voting in person at the Meeting.

If you are a beneficial owner of shares, you may submit new voting instructions by contacting your bank, broker or other nominee. You may also vote in person at the Meeting if you obtain a legal proxy as described in the answer to the previous question.

All shares that have been properly voted and not revoked will be cast as votes at the Meeting.

What shares can I vote?

You can vote all shares that you owned on January 23, 2007, the record date. These shares include (1) shares held directly in your name as the stockholder of record; and (2) shares held for you as the beneficial owner through a stockbroker, bank or other nominee.

What is “householding” and how does it affect me?

We have adopted a procedure approved by the Securities and Exchange Commission (SEC) called “householding.” Under this procedure, stockholders of record who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one copy of our Notice of Annual Meeting of Stockholders and proxy statement, unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. This procedure will reduce our printing costs and postage fees and conserve natural resources.

Stockholders who participate in householding will continue to receive separate proxy cards.

If you are eligible for householding, but you and other stockholders of record with whom you share an address currently receive multiple copies of the Notice of Annual Meeting of Stockholders and proxy statement, or if you hold stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact our transfer agent, Computershare Trust Company, N.A. (in writing: P.O. Box 43010, Providence, RI 02940-3010; from within the United States by telephone: (800) 662-7232; from outside the United States by telephone: (781) 575-2879).

If you participate in householding and wish to receive a separate copy of this Notice of Annual Meeting of Stockholders and proxy statement, or if you do not wish to participate in householding and prefer to receive separate copies of these documents in the future, please contact Computershare Trust Company, N.A., as indicated above.

Beneficial owners can request information about householding from their banks, brokers or other nominees.

3

Is there a list of stockholders entitled to vote at the Meeting?

The names of stockholders of record entitled to vote at the Meeting will be available at the Meeting and for ten days prior to the Meeting for any purpose germane to the Meeting, between the hours of 9:30 a.m. and 4:30 p.m., at our principal executive offices at 1920 L Street, NW, 6th Floor, Washington, DC 20036, by contacting the Corporate Secretary of the Company.

How can I vote on each of the matters?

In the election of directors, you may vote “for” all of the nominees, or your vote may be “withheld” with respect to one or both of the nominees. For the ratification of Ernst & Young LLP as our independent registered public accounting firm, you may vote “for” or “against,” or you may indicate that you wish to “abstain” from voting on this matter.

What are the voting requirements to elect the directors and to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2007?

The presence of the holders of a majority of the outstanding shares of common stock entitled to vote at the Meeting, present in person or represented by proxy, is necessary to constitute a quorum. Abstentions and “broker non-votes” are counted as present and entitled to vote for purposes of determining a quorum. A “broker non-vote” occurs when a bank, broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

If you are a beneficial owner, your bank, broker or other nominee is permitted to vote your shares on the election of directors and the ratification of Ernst & Young LLP as our independent registered public accounting firm even if the broker does not receive voting instructions from you. Because the matters being voted upon at the Meeting are not among the specified matters on which banks, brokers or other holders of record holding shares for a beneficial owner are prohibited from voting undirected shares, we believe that there will be no broker non-votes at the Meeting.

A plurality of the votes cast is required for the election of directors. This means that the director nominees with the most “for” votes will be elected. Thus, shares present at the Meeting that are not voted for a particular nominee, shares present in person or represented by proxy where the stockholder properly withholds authority to vote for such nominee, and broker non-votes, if any, will not be counted towards such nominee’s achievement of a plurality. Stockholders may not cumulate their votes in favor of any one nominee.

Under our bylaws, the affirmative vote of the majority of the votes cast is required to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm. Abstentions and broker non-votes, if any, are not counted as votes “for” or “against” this item.

If you sign your proxy card or voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board (“for” all director nominees named in the proxy statement and “for” the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2007).

Could other matters be decided at the Meeting?

At the date of this proxy statement, we did not know of any matters to be raised at the Meeting other than those referred to in this proxy statement.

If other matters are properly presented at the Meeting for consideration, the proxy holders named on the proxy card will have the discretion to vote on those matters for you.

4

Can I access the Notice of Annual Meeting of Stockholders and proxy statement on the Internet?

The Notice of Annual Meeting of Stockholders and proxy statement are available under the Investors section of our website at www.liquidityservicesinc.com. Instead of receiving future copies of our proxy statement by mail, most stockholders can elect to receive an e-mail that will provide electronic links to them. Opting to receive your proxy materials online will save us the cost of producing and mailing documents to your home or business, and also will give you an electronic link to the proxy voting site.

Stockholders of Record: You may enroll in the electronic proxy delivery service at any time in the future by going directly to www.computershare.com/equishere and following the enrollment instructions.

Beneficial Owners: If you hold your shares in a brokerage account, you also may have the opportunity to receive copies of these documents electronically. Please check the information provided in the proxy materials mailed to you by your bank or other nominee regarding the availability of this service.

Who will pay for the cost of this proxy solicitation?

We will pay the cost of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees, acting without special compensation, in person or by telephone, electronic transmission and facsimile transmission.

Who will count the vote?

Representatives of our transfer agent, Computershare Trust Company, N.A., will tabulate the votes and act as inspectors of election.

GOVERNANCE OF THE COMPANY

Our Principles of Corporate Governance

The Board of Directors has adopted a set of corporate governance principles as a framework for the governance of the Company. The Corporate Governance and Nominating Committee reviews the principles annually and recommends changes to the Board of Directors as appropriate. Our Corporate Governance Principles are available on our website at www.liquidityservicesinc.com under the captions “Investors—Corporate Governance—Governance

Among other matters, the Corporate Governance Principles contain the following items concerning the Board of Directors:

- The Board of Directors, which is elected by the Company’s stockholders, oversees the management of the Company and its business. The Board selects the senior management team, which is responsible for operating the Company’s business, and monitors the performance of senior management.
- A majority of the Board is made up of independent directors. An “independent” director is a director who meets the independence requirements of the NASDAQ Stock Market, Inc. for directors, as determined by the Board. The Board has adopted standards to assist it in assessing the independence of directors. The Board makes an affirmative determination regarding the independence of each director annually, based upon the recommendation of the Corporate Governance and Nominating Committee.
- The Board is divided into three classes, equal in number, with staggered terms of three years each, so that the term of one class expires at each annual meeting of stockholders.
- The Board presently believes that it is in the best interests of the Company for a single person to serve as Chairman of the Board and Chief Executive Officer. The Board may in its discretion separate the roles if it deems it advisable and in the Company’s best interests to do so.
- The Board does not have a mandatory retirement policy.
- The Chairman and CEO establishes the agenda for each Board meeting. Agenda items that fall within the scope of responsibilities of a Board committee are reviewed with the chair of that committee. Directors are encouraged to suggest the inclusion of items on the agenda. Directors are also free to raise subjects at a Board meeting that are not on the agenda for that meeting.
- The independent directors meet in executive session without management present at least twice per year.
- The Board reviews the Company’s long-term strategic plan and business unit initiatives at least annually.
- The Board has three standing committees: Audit, Corporate Governance and Nominating and Compensation. The Audit, Corporate Governance and Nominating, and Compensation Committees consist solely of independent directors. In addition, directors who serve on the Audit Committee must meet additional, heightened independence criteria applicable to audit committee members. All committees report regularly to the full Board with respect to their activities.
- The Corporate Governance and Nominating Committee considers and makes recommendations to the Board regarding committee size, structure, composition and functioning. Committee members and chairs are recommended to the Board by the Corporate Governance and Nominating Committee and are appointed by the full Board.

-
- At the invitation of the Board, members of senior management may attend Board meetings or portions of meetings for the purpose of presenting matters to the Board and participating in discussions. Directors also have full and free access to other members of management and to employees of the Company.
 - The Board has the authority to retain such outside counsel, experts and other advisors as it determines appropriate to assist it in the performance of its functions. Each of the Audit, Corporate Governance and Nominating, and Compensation Committees has similar authority to retain outside advisors as it determines appropriate to assist it in the performance of its functions.
 - The Compensation Committee annually reviews the compensation of directors. Director compensation is set by the Board based upon the recommendation of the Compensation Committee. Non-employee directors receive a combination of cash and equity compensation for service on the Board.
 - The Board plans for succession to the position of Chairman and CEO as well as certain other senior management positions. These plans are reviewed by the Corporate Governance and Nominating Committee. The CEO reports to the Board periodically on succession planning and management development and provides the Board with recommendations and evaluations of potential successors. The Chairman and CEO also makes available to the Board, on a continuing basis, recommendations regarding who should assume the position of Chairman and CEO in the event that he or she becomes unable or unwilling to perform the duties of this position.
 - The Compensation Committee is responsible for setting and approving annual and long-term performance goals for the CEO and for evaluating the CEO’s performance against those goals. The results of the evaluation are shared with the CEO and used by the Compensation Committee in considering and approving the CEO’s compensation.
 - The Company has an orientation process for Board members that is designed to familiarize new directors with the Company’s business, operations, finances, and governance practices. The Board encourages directors to participate in education programs to assist them in performing their responsibilities as directors.
 - The Board conducts an annual self-evaluation to assess its performance and the performance of the Audit, Corporate Governance and Nominating, and Compensation Committees. The ability of individual directors to contribute to the Board is considered in connection with the renomination process. The Corporate Governance and Nominating Committee is responsible for developing, administering and overseeing processes for conducting evaluations.

Governance Information

Executive Sessions

Liquidity Services’ independent directors meet in executive session without management present at least twice per year. The presiding director at the executive session is selected by a majority of the independent directors.

Communications with Directors

Stockholders and other interested parties may communicate with the Board of Directors by writing c/o the General Counsel and Corporate Secretary, Liquidity Services, Inc., 1920 L Street, NW, 6th Floor, Washington, DC 20036. Communications intended for a specific director or directors should be addressed to the attention of the relevant individual(s) c/o the General Counsel and Corporate Secretary at the same address.

Our General Counsel and Corporate Secretary will review all correspondence intended for the Board and will regularly forward to the Board a summary of such correspondence and a copy of correspondence that, in the opinion of the General Counsel and Corporate Secretary, is of significant importance to the functions of the Board or otherwise requires the Board's attention. Directors may at any time review a log of all correspondence received by the General Counsel and Corporate Secretary that is intended for the Board and request copies of any such correspondence.

In addition, the Audit Committee of our Board of Directors has established a procedure for parties to submit concerns regarding what they believe to be questionable accounting, internal accounting controls, and auditing matters. Concerns may be reported through our Compliance Hotline at (888) 475-8376. Concerns may be submitted anonymously and confidentially.

Director Independence Standards

Pursuant to the NASDAQ Stock Market, Inc. listing standards, the Board of Directors has adopted a set of categorical standards to assist it in assessing the independence of directors. Under these standards, an independent director is a person that the Board of Directors determines to be free of any relationship with Liquidity Services and to meet the requirements for "Director Independence" of the NASDAQ Stock Market, Inc. The standards specify the criteria by which independence will be determined, including guidelines for directors and their immediate family members with respect to employment or past employment with Liquidity Services, receipt of compensation from Liquidity Services, relationships with Liquidity Services' internal or external auditor, employment with a company if an executive officer of Liquidity Services serves on that company's Compensation Committee, employment with a company that has made payments to or received payments from Liquidity Services in excess of certain amounts, or service as an executive officer of a non-profit organization to which Liquidity Services has made contributions in excess of certain amounts.

The Board of Directors has determined that Messrs. Clough, Fowler, Gross and Kramer are independent under these standards.

Code of Business Conduct and Ethics

Our Board of Directors has adopted a Code of Business Conduct and Ethics applicable to all of our directors, officers, employees and all individual contractors providing services to or on behalf of the Company in order to protect and promote organization-wide integrity and to enhance Liquidity Services' ability to achieve its mission.

The code embodies general principles such as compliance with laws, acting with honesty and integrity, avoidance of conflicts of interest, maintenance of accurate and timely financial and business records, use of the Company's assets, working with customers, suppliers and governments, protecting the Company's information and obtaining information regarding other companies.

All directors, officers, employees and contractors are obligated to report violations and suspected violations of the code and any concerns they may have pertaining to non-compliance with the code by following certain procedures described in the code. All reports of suspected code violations will be forwarded to the General Counsel, except for complaints and concerns involving accounting or auditing matters, which will be handled in accordance with procedures established by the Audit Committee.

Our Corporate Code of Business Conduct and Ethics is available on our website at www.liquidityservicesinc.com under the captions "Investors—Corporate Governance—Governance Documents." A free printed copy is available to any stockholder who requests it by writing to us at the address on page 2.

Board and Committee Membership

Our Board of Directors is composed of six directors, divided into three classes: Class I, Class II and Class III. The term for each class of directors expires at successive annual meetings. The Board of Directors met 10 times and acted one time by unanimous written consent during fiscal 2006. Each of our directors attended 75% or more of the aggregate of the total number of meetings of the Board of Directors held while he was a director and of each standing committee on which he served during the period in which the director served as a member of that committee, except for Mr. Gross, who missed one of the two meetings of the Corporate Governance and Nominating Committee. Our Board has adopted a policy that our directors are expected and strongly encouraged to attend each Annual Meeting of Stockholders.

The Audit Committee represents and assists the Board of Directors in overseeing the accounting and financial reporting processes of Liquidity Services and the audits of Liquidity Services' financial statements, including the integrity of the financial statements, Liquidity Services' compliance with legal and regulatory authority requirements, the independent auditors' qualifications and

independence, the performance of Liquidity Services' independent auditors, and the preparation of a report of the Audit Committee to be included in Liquidity Services' annual proxy statement. The Audit Committee is responsible for:

- Directly appointing, retaining, compensating, evaluating, overseeing, and terminating (when appropriate) the Company's independent auditors, who shall report directly to the Committee;

9

-
- At least annually, reviewing the qualifications, independence and performance of the independent auditors, and discussing with the independent auditors their independence. As part of such annual review, the Committee will obtain and review a report by the independent auditors describing all relationships between the independent auditors and the Company, consistent with professional standards applicable to independent auditors, and any other relationships that may impact the independent auditors' independence;
 - Upon completion of the annual audit, reviewing with the independent auditors their experiences, any audit problems or difficulties encountered (including restrictions on their work, cooperation received or not received, and significant disagreements with corporate management) and management's response, and findings and recommendations concerning their annual audit of the Company;

 - Reviewing and discussing the adequacy and effectiveness of the Company's disclosure controls and procedures;
 - Overseeing the Company's compliance systems with respect to legal and regulatory requirements and reviewing the Company's code of conduct and programs to monitor compliance with such code;
 - Establishing procedures for the submission of complaints regarding accounting, internal accounting controls, or auditing matters.  - Annually reviewing and reassessing the adequacy of the Audit Committee Charter and evaluating the performance of the Committee, and recommending changes to the Board as appropriate; and
 - Performing such other functions as assigned by law, the Company's certificate of incorporation or bylaws, or the Board of Directors.

10

The Audit Committee has the authority to retain, at Liquidity Services' expense, such outside counsel, experts, and other advisors as it determines appropriate to assist it in the full performance of its functions.

The Audit Committee met seven times and did not taken any actions by unanimous written consent during fiscal 2006.

The members of the Audit Committee as of the date of this proxy statement are Messrs. Fowler (Chairperson), Gross and Kramer. The Board of Directors has determined that each is independent, as defined by the Company's director independence standards and the rules of the NASDAQ Stock Market, Inc. and the SEC, and that Mr. Fowler is an "audit committee financial expert" for purposes of the rules of the SEC.

Under the rules of the SEC, members of the Audit Committee must meet heightened independence standards. The Board of Directors has determined that each of Messrs. Fowler, Gross and Kramer meet these heightened independence standards.

The report of the Audit Committee is included herein on page 22. A copy of the Audit Committee Charter is attached as Annex 1 to this proxy statement and is available on our website at www.liquidityservicesinc.com, under the captions "Investors—Corporate Governance—Committee Charters." A free printed copy is available to any stockholder who requests it by writing to us at the address on page 2.

The Corporate Governance and Nominating Committee

Under the terms of its Charter, the Corporate Governance and Nominating Committee is responsible for identifying individuals qualified to become Board members, recommending to the Board director candidates for election at the annual meeting of stockholders, developing and recommending to the Board a set of corporate governance principles and undertaking a leadership role in shaping corporate governance. The Corporate Governance and Nominating Committee is responsible for recommending candidates for election to the Board and believes that candidates for director should have certain minimum qualifications, including the highest level of integrity, maturity of judgment based on a record of senior level experience, an ability to exercise sound judgment, an ability to make independent analytical inquiries, a willingness to devote adequate time and resources to diligently perform Board duties and appropriate and relevant business experience and acumen. The Committee considers the number of other boards of public companies on which the candidate serves. The Committee believes that the Board should also include members who have specific industry experience and familiarity with general issues affecting our business.

The Corporate Governance and Nominating Committee uses a variety of methods to identify and evaluate nominees for director. Candidates may come to the attention of the Committee through current Board members, professional search firms (to whom we pay a fee), stockholders or other persons. The Committee evaluates candidates for the Board on the basis of the standards and qualifications set forth above, and seeks to achieve a diversity of strengths and backgrounds on the Board, particularly in the areas described above.

The Committee will consider candidates for director suggested by our stockholders, provided that the recommendations are made in accordance with the procedures required under our bylaws and described in this proxy statement under the heading "Requirements, Including Deadlines, for Submission of Proxy Proposals, Nomination of Directors and Other Business of Stockholders." Stockholder nominees whose nominations comply with these procedures and who meet the criteria outlined above, in the Committee's Charter, and in our Corporate Governance Principles, will be evaluated by the Corporate Governance Committee in the same manner as the Committee's nominees.

Compensation of Non-Employee Directors

Under our policy, non-employee directors will receive an annual retainer of \$25,000. Committee chairs will receive an additional annual retainer as follows: \$10,000 for the Audit Committee and \$5,000 for the Compensation Committee and the Corporate Governance and Nominating Committee. All amounts will be paid to directors quarterly in arrears. In addition, commencing with our fiscal 2007 year, our directors may also elect to receive payment of their entire retainer in the form of stock options by making an irrevocable one-time annual election, prior to the beginning of the fiscal year with respect to which the election is made. We use the Black-Scholes model to determine the number of options each director is entitled to receive pursuant to this election. In addition, under our policy, our directors (other than our Chief Executive Officer and Chief Operating Officer) were reimbursed for the expenses they incurred in attending meetings of the Board or Board committees. We granted each of our non-employee directors options to purchase 20,000 shares of our common stock pursuant to our policy, which provided that non-employee directors are entitled to receive \$30,000 in stock options in fiscal 2006. The determination of the number of options was made using the Black-Scholes model.

The Compensation Committee will continue to evaluate the compensation of our directors from time to time as it deems appropriate and may in the future recommend to the Board an increase in or changes to such compensation depending on the results of any such evaluation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (Exchange Act), requires our directors, executive officers and beneficial owners of greater than ten percent of our common stock to file reports of holdings and transactions in Liquidity Services’ common stock with the SEC. Based solely on these records, we believe that in fiscal 2006 all persons satisfied these filing requirements.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

We have adopted a policy that all transactions between our company and our officers, directors, principal stockholders and their affiliates will be on terms no less favorable to our company than could be obtained by our company from unrelated third parties, and will be approved by the Audit Committee.

In September 2004, we issued 3,262,643 shares of Series C preferred stock, all of which shares were converted into common stock immediately prior to the closing of our public offering in February 2006, to entities related to ABS Capital Partners in exchange for approximately \$20 million in cash. In December 2004, we used all of the proceeds from this transaction to pay a special dividend to all holders of our capital stock. Our Series A preferred stock and Series B preferred stock were either repurchased or converted into common stock in 2003 and 2004. We have no outstanding shares of Series A preferred stock or Series B preferred stock.

Registration Rights

Pursuant to the registration rights agreement with the ABS Entities dated September 3, 2004, in the event that we become eligible to register securities by means of a registration statement on Form S-3 under the Securities Act of 1933, as amended (Securities Act), the ABS entities, holders of 3,262,643 shares of common stock, have rights to require that we register the resale of registrable shares held by them provided that the reasonably anticipated aggregate price to the public of such securities is at least \$1 million. We are obligated to effect unlimited registrations on Form S-3. In connection with any of these registrations, we will indemnify the selling stockholders in such transactions and bear all registration fees, costs, and expenses except for transfer taxes and underwriting discounts or commissions applicable to the sale of the converted shares of common stock. Subject to limitations provided in the agreement, the ABS Entities will also have rights to require us to register their shares when we are registering shares for sale on our own behalf or for sale by another stockholder.

COMPENSATION COMMITTEE REPORT

The Compensation Committee administers Liquidity Services' executive compensation program. The role of the Committee is to oversee Liquidity Services' compensation structure, policies and programs; administer its incentive-compensation and equity-based compensation plans, including approving stock option and other stock incentive awards for executive officers; review and approve corporate goals and objectives relevant to the compensation of the CEO, evaluate the CEO's performance in light of those goals and objectives, and approve the CEO's compensation level; oversee the evaluation of other executive officers and set their compensation based upon the recommendation of the CEO; review and approve the structure of employment and severance arrangements and other benefit plans pertaining to executive officers; and review the compensation of directors for service on the Board and its committees and recommend changes in compensation to the Board.

The Compensation Committee's Charter reflects these various responsibilities. The Committee's membership is determined by the Board of Directors, and each member of the Committee is an independent director. The Committee meets at scheduled times throughout the year, and also considers and may take action by written consent. The Committee has the authority to retain, at Liquidity Services' expense, such outside counsel, experts and other advisors as it determines appropriate to assist it in the full performance of its functions.

General Compensation Philosophy

Liquidity Services' executive compensation programs are designed to support the attainment of our short- and long-term financial and strategic objectives, reward executives for continuous improvement of revenue, earnings and growth in stockholder value, and align executives' interests with those of our stockholders. The goal of Liquidity Services' compensation programs is to attract, retain and motivate key executives, and encourage a long-term commitment to Liquidity Services. To achieve these objectives, the Committee uses a variety of compensation elements, including:

- base salary;
- annual cash incentive compensation;
- long-term incentive compensation; and
- certain other compensation and benefits.

The Committee seeks to set executive compensation at appropriate and competitive levels. The Committee also considers recommendations from the Chairman and CEO regarding total compensation for those executives other than himself. Management provides to the Committee historical and prospective breakdowns of the total compensation components for each executive officer.

Base Salary

The fiscal 2006 salaries of the named executive officers are shown in the "Salary" column of the Summary Compensation Table. Salaries for executive officers are designed to be competitive compared with prevailing market rates for equivalent positions at companies with similar business characteristics, revenue and market capitalization profiles, and are based on a variety of factors, including level of responsibility, performance, and the recommendations of the Chairman and CEO (other than with respect to his own compensation). The Committee generally reviews executive salaries annually and makes salary adjustments based on the factors discussed above.

Annual Incentive Compensation

The Board of Directors adopted the 2006 Omnibus Long-Term Incentive Plan on December 2, 2005. The purpose of the performance plan is to attract, retain and motivate key employees by providing performance awards to designated key employees of Liquidity Services or its subsidiaries. The Committee determined that fiscal 2006 target awards under the performance plan for each of our named executive officers would be based on the whether Liquidity Services exceeded certain earnings before interest, taxes depreciation and amortization (EBITDA) targets and the achievement of certain strategic objectives. The Committee established the performance goals and performance targets applicable under the performance plan for cash bonuses executive officers were eligible to earn for fiscal year 2006. For each of our named executive officers, the target award was based on Liquidity Services' achievement of established fiscal year 2006 EBITDA goals and the individual achievements of our named executive officers. The Committee also retained discretion to pay an additional discretionary bonus amount based upon the achievement of certain strategic goals. The awards under the plan for fiscal 2006 paid to each of the named executive officers are shown in the "Bonus" column of the Summary Compensation Table. In determining the amount of these awards, the Committee assessed the Company's and each executive's performance measured against the previously set financial and strategic objectives. The assessment included a review of Liquidity Services' fiscal 2006 EBITDA and the achievement by Liquidity Services of significant milestones, including the successful completion of our initial public offering, and the individual achievements of each executive officer.

In September and December 2006, the Committee established the performance goals and performance targets applicable under the performance plan for cash bonuses that the named executive officers are eligible to earn for fiscal year 2007. For each of our named executive officers, the target awards are based on Liquidity Services' achievement of established fiscal year 2007 EBITDA performance goals and the individual achievements of our named executive officers. The Committee also retained discretion to pay an additional discretionary bonus amount based upon the achievement of certain strategic goals.

Long-Term Incentive Compensation

During fiscal 2006, Liquidity Services granted stock options under two stock option plans. In January 2006, the Board amended Liquidity Services' 2005 Stock Option and Incentive Plan to provide that no further awards would be granted under that plan as of the date the Liquidity Services, Inc. 2006 Omnibus Long-Term Incentive Plan was approved by Liquidity Services' stockholders. In December 2005, Liquidity Services established the 2006 plan, which provides for the granting of incentive stock options, nonqualified stock options, stock appreciation rights, shares of restricted stock, restricted stock units,

performance awards and other stock-based awards. The purpose of the 2006 plan is to enhance the profitability and value of Liquidity Services for the benefit of its stockholders by enabling Liquidity Services to offer eligible employees, consultants and non-employee directors stock-based and other incentives (thereby creating a means to raise the level of equity ownership by such individuals) and provide other incentives in order to attract, retain and reward such individuals and strengthen the mutuality of interests between such individuals and Liquidity Services' stockholders.

The Committee annually determines whether to grant stock options or other equity-based incentives to executives. In making its determinations, the Committee considers factors such as market data, the executive's performance in the last year and the results achieved by the executive, the executive's base salary and the Committee's view regarding the future potential of long-term contributions of the executive. Recommendations of the CEO are also taken into consideration.

Compensation of the CEO

The Committee meets annually to review the CEO's compensation. In reviewing each element of the CEO's compensation, the Committee considers the factors described above, with particular attention to market data, the Company's performance measured against previously established objectives, the specific results achieved by the CEO, significant milestones achieved by Liquidity Services under the CEO's direction, and his potential future impact on the Company.

Base Salary

For fiscal 2006, Mr. Angrick received \$240,000 in base salary, compared to a base salary of \$212,917 for fiscal 2005. This increase was based on market data, as well as the Committee's evaluation of Mr. Angrick's individual performance. For fiscal 2007, the Committee recommended to the independent members of the Board of Directors (the "Independent Directors"), and the Independent Directors approved, an increase in Mr. Angrick's base salary to \$275,000 based on Mr. Angrick's individual performance during fiscal 2006, as well as market data, and the significant milestones achieved by the Company during fiscal 2006.

Annual Incentive Compensation

In September 2006, the Committee approved a bonus for Mr. Angrick of \$300,000 for fiscal 2006. The Committee recommended the payment of this amount as a result of the Company's performance measured against the previously established financial and strategic objectives described above. The Committee also considered Mr. Angrick's individual performance, including his leadership and success in implementing the Company's strategic objectives, including the successful completion of the Company's initial public offering in fiscal 2006.

In February 2006, the Committee approved the performance goals and performance targets applicable under the performance plan for cash bonuses that Mr. Angrick is eligible to earn for fiscal 2007. These targets are the same as described above with respect to the other named executive officers.

Long-Term Incentives

As part of his compensation for performance in fiscal 2006, the Committee approved a grant of stock options to purchase 75,000 shares to Mr. Angrick with a grant date of December 22, 2005. The vesting of these options was linked to the performance of the Company's common stock for a trailing 20 day trading period; these vesting provisions have been fully satisfied and, as a result, these options are now fully vested. The Committee also approved a grant of stock options to purchase 100,000 shares to Mr. Angrick with a grant date of September 21, 2006. 25% of the stock options under this grant vest on the one-year anniversary of the grant date, with the remaining options vesting in thirty-six monthly installments thereafter. The Committee recommended the amount of these awards based on comparative market data and Mr. Angrick's individual performance, both of which are described above.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended (Internal Revenue Code), limits publicly-held companies to an annual deduction for federal income tax purposes of \$1,000,000 for compensation paid to their chief executive officer and the four highest compensated executive officers (other than the chief executive officer) determined at the end of each year (the "covered employees"). However, performance-based compensation is excluded from this limitation if certain requirements are met. Although the 2006 Plan is currently not subject to Section 162(m) because Section 162(m) provides for a grace period following an initial public offering, the 2006 Plan is designed to permit the compensation

committee to grant awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m) at such time as the 2006 Plan becomes subject to Section 162(m).

Change in Control Arrangements

We have granted stock options to our executive officers, including all of our named executive officers. Under the option agreements, if we experience a change in control or other qualifying corporate transaction, all of the options will vest in full, unless the options are assumed or continued by the surviving company, or unless the surviving company substitutes the options with a substantially equivalent option. If the surviving company assumes or replaces the options, no such acceleration of vesting shall occur.

The term "corporate transaction" is defined in the option agreements.

REQUIREMENTS, INCLUDING DEADLINES, FOR SUBMISSION OF PROXY PROPOSALS, NOMINATION OF DIRECTORS AND OTHER BUSINESS OF STOCKHOLDERS

Under the rules of the SEC, if a stockholder would like us to include a proposal in our proxy statement and form of proxy for presentation at our 2008 Annual Meeting of Stockholders, the proposal must be received by us at our principal executive offices at 1920 L Street, NW, 6th Floor, Washington, DC, 20036, to the attention of the Corporate Secretary, no later than September 28, 2007.

Our bylaws, as permitted by the rules of the SEC, contain certain procedures that a stockholder must follow to nominate persons for election as directors or to introduce an item of business at an Annual Meeting of Stockholders. These procedures provide that for nominations or other business to be properly brought before an annual meeting by a stockholder:

- the stockholder must have given timely notice thereof in writing to the Corporate Secretary of the Company;
- such business must be a proper matter for stockholder action under the General Corporation Law of the State of Delaware;
- if the stockholder, or the beneficial owner on whose behalf any such proposal or nomination is made, has provided the Company with a Solicitation Notice, as that term is defined below, such stockholder or beneficial owner must, in the case of a proposal, have delivered a proxy statement and form of proxy to holders of at least the percentage of the Company's voting shares required under applicable law to carry any such proposal, or, in the case of a nomination or nominations, have delivered a proxy statement and form of proxy to holders of a percentage of the Company's voting shares reasonably believed by such stockholder or beneficial holder to be sufficient to elect the nominee or nominees proposed to be nominated by such stockholder, and must, in either case, have included in such materials the Solicitation Notice; and
- if no Solicitation Notice has been timely provided, the stockholder or beneficial owner proposing such business or nomination must not have solicited a number of proxies sufficient to have required the delivery of such a Solicitation Notice.

To be timely, a stockholder's notice must be delivered to the Corporate Secretary at the principal executive offices of the Company not less than 90 or more than 120 days prior to the first anniversary of the date of the preceding year's Annual Meeting of Stockholders. Therefore, in order to be considered timely with respect to the 2008 Annual Meeting of Stockholders, it must be received no earlier than October 18, 2007 and no later than November 17, 2007.

If, however, the date of the annual meeting is advanced more than 30 days prior to or delayed by more than 70 days after the anniversary of the preceding year's annual meeting, notice by the stockholder must be delivered no earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of:

- the 90th day prior to such annual meeting, or
- the 10th day following the day on which public announcement of the date of such meeting is first made.

In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period or extend any time period for the giving of a stockholder's notice as described above.

In addition, notwithstanding the above timelines, in the event that the number of directors to be elected to the Board of Directors is increased and the Company does not make a public announcement

naming all of the nominees for director or specifying the size of the increased Board of Directors at least 100 days prior to the first anniversary of the date of the preceding year's Annual Meeting of Stockholders, a stockholder's notice shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Corporate Secretary at the principal executive offices of the Company not later than the close of business on the 10th day following the day on which such public announcement is first made by the Company.

Such notice shall set forth the following information:

- as to each person whom the stockholder proposes to nominate for election or reelection as a director, all information relating to such person as would be required to be disclosed in solicitations of proxies for the election of such nominees as directors pursuant to Regulation 14A under the Exchange Act, and such person's written consent to being named in the proxy statement as nominee and to serve as director if elected;
- as to any other business that the stockholder proposes to bring before the meeting, a brief description of such business, the text of the proposal or business, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made;
- as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made:

- the name and address of such stockholder, as they appear on the Company’s books, and of such beneficial owner;
- the class and number of shares of the Company’s stock that are owned beneficially and of record by such stockholder and such beneficial owner; and

ANNEX 1
LIQUIDITY SERVICES, INC
AUDIT COMMITTEE OF THE BOARD OF DIRECTORS
CHARTER

Section—One: Organization

1.1 Independence. This charter governs the operations of the Audit Committee of Liquidity Services, Inc. (“LSI” or “the Company”). The Board of Directors of LSI (the “Board”) shall appoint an Audit Committee (the “Committee”) of at least three members, consisting entirely of independent directors of the Board, and shall designate one member as chairperson or delegate the authority to designate a chairperson to the Committee. For purposes hereof, members shall be considered independent as long as they satisfy all of the independence requirements for Board members as set forth in the applicable stock exchange listing standards and Rule 10A-3 of the Securities Exchange Act of 1934 (the “Exchange Act”).

1.2 Financial Expertise. Each member of the Committee shall be financially literate, or become financially literate within a reasonable period of time after appointment to the Committee. At least one member of the Committee shall be an “audit committee financial expert,” as defined by applicable laws, rules and regulations and the applicable stock exchange listing standards.

1.3 Member Limitations. Members shall not serve on more than three public company audit committees simultaneously.

1.4 Meeting Requirements. The Committee shall meet at least quarterly. The Committee shall meet separately and periodically with management, the personnel responsible for the internal audit function, and the independent auditor. The Committee shall report regularly to the Board of Directors with respect to its activities.

Section—Two: Purpose

2.1 Oversight Requirements. The purpose of the Committee shall be to provide assistance to the Board of Directors in fulfilling its oversight responsibility relating to: (i) the preparation and integrity of the Company’s financial statements; (ii) the independent auditor’s qualifications and independence; (iii) the Company’s internal controls and procedures; and (iv) the performance of the Company’s internal audit function and independent auditors.

2.2 Reporting Requirements. As applicable, the Audit Committee shall prepare the report that the rules of the Securities and Exchange Commission (“SEC”) require to be included in the Company’s annual proxy statement.

2.3 Use of Outside Experts. The Committee shall retain, and the Company shall compensate at the direction of the Committee, such outside legal, accounting, or other advisors, as the Committee considers necessary in discharging its oversight role.

2.4 Communication. The Committee may request any officer or employee of the Company, the Company’s internal or outside legal counsel or independent auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. In addition, the Committee may meet with management, the independent auditor and others in separate private sessions to discuss any matter that the Committee, management, the independent auditor or such other persons believe should be discussed privately, and the Committee shall meet separately with such persons as may be required by applicable laws, the rules and regulations of the SEC or the applicable stock exchange listing standards. The Committee shall have direct access to management, internal staff, the independent auditor, the

corporate compliance staff and the Company’s internal and outside legal counsel, both at meetings and otherwise.

Section—Three: Duties and Responsibilities

3.1 Delegation of Duties. The Board has delegated to the Committee the duties, responsibilities and powers set forth in this Charter. Management is responsible for the preparation, presentation, and integrity of the Company’s financial statements, for the appropriateness of the accounting principles and reporting policies that are used by the Company and for implementing and maintaining internal control over financial reporting. The independent auditors are responsible for auditing the Company’s financial statements and internal control over financial reporting, and for reviewing the Company’s unaudited interim financial statements.

3.2 Corporate Tone. The Committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The Committee will take appropriate actions to set the overall corporate “tone” for quality financial reporting, sound business risk practices, and ethical behavior.

3.3 Principal Duties. The following shall be the principal duties and responsibilities of the Committee. The Board may supplement these duties and responsibilities as it deems appropriate.

3.3.1 Independent Auditors. The Committee shall be directly responsible for the appointment, compensation, retention, and oversight of the work of the independent auditors (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services for LSI, and the independent auditors shall report directly to the Committee.

3.3.2 Independent Auditors Qualifications. At least annually, the Committee shall obtain and review a report by the independent auditors describing: (i) the firm's internal quality control procedure; (ii) any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and (iii) all relationships between the independent auditors and the Company (to assess the auditors' independence). After reviewing the foregoing report and the independent auditors' work throughout the year, the Committee shall evaluate the auditors' qualifications, performance and independence. Such evaluation should include the review and evaluation of the lead partner of the independent auditors and take into account the opinions of management and the Company's personnel responsible for the internal audit function. The Committee shall determine that the independent audit firm has a process in place to address the rotation of the lead audit partner and other audit partners serving the account as required under the SEC independence rules (the lead audit partner may not serve in such capacity for more than five years).

3.3.3 Independent Auditors Approval. The Committee shall pre-approve all audit and non-audit services provided by the independent auditors and shall not engage the independent auditors to perform non-audit services proscribed by law or regulation. The Committee may delegate pre-approval authority to a member of the Audit Committee. The decisions of any Committee member to whom pre-approval authority is delegated must be presented to the full Committee at its next scheduled meeting.

3.3.4 Audit Scope. The Committee shall discuss with the internal auditors and the independent auditors the overall scope and plans for their respective audits, including the adequacy of staffing and budget or compensation.

A-2

3.3.5 Audit Review Process. The Committee shall regularly review with the independent auditors any audit problems or difficulties encountered during the course of the audit work, including any restrictions on the scope of the independent auditors' activities or access to requested information, and management's response. The Committee should review any accounting adjustments that were noted or proposed by the auditors but were "passed" (as immaterial or otherwise); any communications between the audit team and the audit firm's national office respecting auditing or accounting issues presented by the engagement; and any "management" or "internal control" letter issued, or proposed to be issued, by the audit firm to the Company.

3.3.6 Quarterly Review Process. The Committee shall review and discuss the quarterly financial statements, including Management's Discussion and Analysis of Financial Condition and Results of Operations, with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q. Also, the Committee shall discuss the results of the quarterly review and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards.

3.3.7 Annual Review Process. The Committee shall review and discuss the annual audited financial statements, including Management's Discussion and Analysis of Financial Condition and Results of Operations, with management and the independent auditors prior to the filing of the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K). The Committee's review of the financial statements shall include: (i) major issues regarding accounting principles and financial statement presentations, including any significant changes in the company's selection or application of accounting principles, and major issues as to the adequacy of the company's internal controls and any specific remedial actions adopted in light of material control deficiencies; (ii) discussions with management and the independent auditors regarding significant financial reporting issues and judgments made in connection with the preparation of the financial statements and the reasonableness of those judgments; (iii) consideration of the effect of regulatory accounting initiatives, as well as off-balance sheet structures on the financial statements; (iv) consideration of the judgment of both management and the independent auditors about the quality, not just the acceptability of accounting principles; and (v) the clarity of the disclosures in the financial statements. Also, the Committee shall discuss the results of the annual audit and any other matters required to be communicated to the Committee by the independent auditors under professional standards.

3.3.8 Auditor Committee Report. The Committee shall receive and review a report from the independent auditors, prior to the filing of the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), on all critical accounting policies and practices of the Company; all material alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, including the ramifications of the use of such alternative treatments and disclosures and the treatment preferred by the independent auditor; and other material written communications between the independent auditors and management.

3.3.9 Related Party Transactions. The Committee shall review and approve all related party transactions. The term "related party transaction" as used in this Charter shall have the meaning set forth in Item 402 of Regulation S-K of the Securities Act of 1933.

3.3.10 Press Releases. The Committee shall review and discuss earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies.

3.3.11 Internal Controls. The Committee shall review management's assessment of the effectiveness of internal control over financial reporting as of the end of the most recent fiscal year and the independent auditors' report on management's assessment. The Committee shall discuss with management, the internal auditors, and the independent auditors the adequacy and effectiveness of internal control over financial reporting, including any significant deficiencies or material weaknesses

identified by management of the Company in connection with its required quarterly certifications under Section 302 of the Sarbanes-Oxley Act. In addition, the Committee shall discuss with management, the internal auditors, and the independent auditors any significant changes in internal control over financial reporting that are disclosed, or considered for disclosures, in the Company's periodic filings with the SEC. The committee will also review the policies and procedures with respect to officer's expense accounts and perquisites, including use of corporate assets and consider the results of any review of these areas by the internal auditor or the independent auditor.

3.3.12 Compliance Review. The Committee shall review the Company's compliance programs with respect to legal and regulatory requirements and the Company's code of conduct to monitor compliance with such programs. The Committee shall conduct or authorize investigations into any matters within the Committee's scope of responsibilities.

The Committee also shall review the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures.

3.3.14 Complaint Process. The Committee shall establish procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

3.3.16 Budget. The Committee, shall determine the appropriate funding needed by the Committee for payment of: (1) compensation to the independent audit firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services for the Company; (2) compensation to any advisers employed by the Committee; and (3) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

3.3.17 Evaluation. The Committee shall perform an evaluation of its performance at least annually to determine whether it is functioning effectively. The Committee shall review and reassess its performance and the charter at least annually and submit proposed revisions, if any, for the approval of the Board of Directors.
